The Father Cushen Knights of Columbus Catholic Schools Grants for grades K-12

1. Requests should be submitted by September 30th.
2. We will review requests in October.
3. Grant distribution is sent to the child's school in October/November.
4. Grant decisions are based upon:
    - Family needs
    - The money available. Total funds available for all grantees. We are tentatively planning on distributing $10,000.
    - The number and amounts of each grant request.
    - Parish membership at St. Johns and/or K of C membership in the Excelsior council.
    - If more money is requested than available, TADS will be reviewed.
5. Fill out and return your request to: The Excelsior Knights of Columbus
   680 Mill Street
   Excelsior, MN 55331
6. We ask each Grantee to join the Knights for one of their annual fundraisers. We encourage parent participation with the child. We ask recipients to write us in May about something special from the school year. We want our council members to know some of the benefits of our grant program. This helps ensure their continued support.
