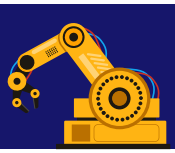
# Elementary Summer Program

## Dinosaur Week — June 8-11

Get ready for a roaring week of dinosaur-themed fun! Each day brings a new adventure into the age of dinosaurs, sparking curiosity and imagination.



## Engineering Week — June 15-19

Join us for an exciting week focused on creativity, problem-solivng, and building & design exploration! Each day encourages discovery in a supportive and engaging environment. Campers will grow in confidence as they explore new ideas and ways of thinking.

## Nature Week — June 22-26

Each day invites campers to explore and build curiosity and appreciation for the world around them. Campers will grow in confidence as they observe, learn, and deepen their understanding through meaningful experiences.

## Stories Week — June 29-July 3

This week invites campers to explore timeless tales such as fables, myths, and legends. Campers will develop creativity, expression, and collaboration as they bring stories to life through puppetry and improv.

## Animals Week — July 6-10

Each day invites campers to explore the incredible diversity of the animal world, focusing on a different group of creatures such as mammals, insects, and birds. Campers will build curiosity and aprpeciation for God's creation while learning about the unique characteristics that make each animal group special.

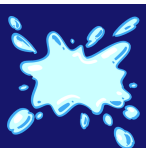
# Elementary Summer Program

## Science Week — July 13-17

Each day opens the door to curiosity and experimentation, encouraging campers to question, observe, and explore how the world works in a fun environment. Campers will engage their minds and imaginations as they investigate ideas, test possibilities, and discover new ways of thinking about the world around them.

## Sports Week — July 27-30

Each day gives campers the opportunity to stay moving, try new activities, and build skills in a positive and encouraging envuronment. Through friendly competition and cooperative play, campers will learn the value of teamwork, perseverance, and good sportsmanship while enjoying a variety of energetic challenges.



## Water Week — August 10-14

Wrap up the summer with a refreshing week of water-themed fun! Each day offers exciting opportunities to stay active, cool off, and enjoy playful outdoor experiences. Campers will also learn about the importance of water and its role in the world around us, gaining a greater appreciation for this vital resource. This week celebrates the end of summer through teamwork, laughter, and memorable shared moments that make a splash.
